Lincoln, NE 68510

Presents:

Bob Page

BAS, NREMT-P, CCEMT-P, NCEE

Nationally Renowned Presenter of Rapid 12-Lead Interpretation

Monday, April 6, 2015

8 a.m. – 5:30 p.m. Cost \$39/day

Multi-Lead Medic/12 Lead ECG Interpretation Workshop

A nationally acclaimed course adopted by the Critical Care Paramedic Course curriculum at the University of Maryland, Baltimore County.

Topics covered in this course include:

- Proper lead placement
- Axis and hemiblock determination
- Bundle branch blocks
- Differentiating wide complex tachycardia
- Myocardial infarction recognition
- 15 lead ECG

The course includes a workbook with practice problems and handy charts for rapid use in the field. Participants in the program will read about 200 12 lead ECG's gaining both experience and confidence in their newly learned skill.

Tuesday, April 7, 2015

8 a.m. – 5:30 p.m. Cost \$39/day

Slap the Cap: The Role of Capnography in EMS

You will be participating in one of the first nationally presented courses on capnography in emergency medicine. This comprehensive course is designed to supply you with the knowledge background necessary to understand the full spectrum use of capnography as a diagnostic tool. Just as the 12 Lead ECG is a diagnostic tool for acute coronary syndromes, capnography is a diagnostic tool for ventilation and perfusion. It is an objective, fast and accurate way to triage, assess and monitor the ABC's in almost all aspects of the emergency medicine. This handout, while informative alone, is designed as a supplement to Bob Page's Course: Slap the Cap, which offers far more extensive practice, case presentations and explanations.

Topics covered in this course include:

- The principles behind CO₂ measurement
- The various methods of EtCO₂ measurement
- Technology of EtCO₂ measurement
- Identify the components of a normal and abnormal capnogram waveform
- Clinical applications of capnography

Registration Required: Register online or over the phone.

(Online) 1. You must have an email account in order to register online.

2. Go to www.southeast.edu/Continuing

3. Click on **Register NOW!** on the left side of the page.

4. Type **"EMS"** in the Key Word field – click submit.

5. Click the box in front of the class to select the course – click submit.

6. Choose the action you want to perform from the drop-down box – click submit.

If you have questions, contact Dan Duncan, EMS Education Coordinator, at:
